

Marian Coffey

Candidate Profile for the
2024 Carefree Board of Directors Election

Hello, my name is Marian Coffey. I have lived in Holiday City Carefree for over 8 years. I retired from a career in nursing spanning over 40 years earning my Masters of Science in Nursing from Drexel University and am currently CPR certified.

Through my years of service to my patients and the administrators of many health organizations, I have learned and continued to utilize skills such as:

- Presentations for new nursing graduates
- Cooperation & Collaboration
- Compromise
- Kindness & Compassion
- Communication Etiquette

Since I retired from nursing, I have served on several projects for our community. As a member and then Co-Chair of the Finance Advisory Committee from the summer of 2022 until November of 2023, I learned much about our community's finances. As Women's Club member and Treasurer effective July 2023, I was responsible for the Women's Club bank accounts, expenses, deposits, reconciliations, and reports. The comradery and relationships gained from the Women's Club have encouraged me to serve the larger community.

I have attended approximately 80% of the general meetings in recent years, which has given me knowledge of the happenings in our community.

I intend to run for the Board to utilize my experience and integrity to the best of my ability and collaborate with the other Board members for the good of our community.
