

Ron Delaney

My objective is to be elected to the Carefree Board of Directors.

It is my intention to see that we maintain our financial stability and to work side by side with all members of the Board and our residents to make Carefree a better place to live.

I graduated from Kearny High School, Kearny, N.J. in 1965.

In 1966 I was sworn into the U.S. Navy Reserve, went on active duty in October of 1967 for 18 months and was honorably discharged in 1972.

I had a 37 year career at Public Service Electric & Gas Company (PSE&G), retiring in 2003 as an Electrical Technician. During that time, I was a member of IBEW 1330, serving as a shop steward and a station representative over a fifteen-year period. I was also trained by PSE&G as a Team Facilitator/Team Leader, working with numerous groups having combined union and management team members on environmental and corporate policy issues.

Over a seventeen-year period starting in 1988 I was appointed to three municipal committees, including being named Chairperson of the Beautification and Environmental Committees in Kearny, my home town. I also led a group of residents for thirteen years in distributing holiday dinners to our homebound residents on Thanksgiving Day.

During my 20 years living in Carefree I have been a volunteer for many blood drives, flu shot events, worked alongside American Red Cross volunteers to install hundreds of free smoke detectors in our neighbors' homes and for a brief period hosted free Sunday afternoon movies in the auditorium. I was a Carefree Election volunteer for 6 years, the final three as the Election Chairperson. I am presently a proud member of the FreeCare group, the only group of its kind in the nine Holiday City/Siver Ridge Park HOAs, for the last 9 years, helping our neighbors with small tasks and repairs at their homes.
